

## RAYNVILLE PRIMARY SCHOOL

### Attendance Analysis from 2015 to 2017

The following table shows the whole school attendance for the last three years and then the attendance of the different year groups. The rows are slightly offset because the children have moved up a year group i.e. the year 1 children in 2014/15 went into year two and then year 3 so you can see how that group of children improved.
