Chair of Governors name:	Sarah Tulip	Signature:	
Pupil Premium Champions:	Gina Balsdon and Jane Hopwood	Signature:	

Pupil Premium Profile 2020/21

Number of eligible pupils:	159
Amount per pupil:	£1 345 and £2 345 for adopted / residency / guardianship
Total pupil premium budget:	£216,191 & £4549 unspent 19/20 = £220,740

Headteacher's summary

Since September 2012 all schools have been required to publish information on their Pupil Premium funding. The Department of Education issue the Pupil Premium allocation to schools based on 'Ever 6' as of the most recent census. This funding is available for us to support children in care, adopted children, children of parents serving in the armed forces and children known to be eligible for free school meals over a 6-year period. For the period 1st September 2019 to 31st August 2020 Raynville Primary received Pupil Premium funding of £213 151

Our Pupil Premium initiatives have included: Salary costs towards the Pastoral Team who have a focus on attendance support and parenting advice, salary costs of Teaching Assistants with a key focus on English and Maths intervention support, targeted support from Teaching Assistants to support curriculum access with associated linking salary costs, targeted support from a Teacher delivering one to one intervention in phonics, attendance at the school breakfast club, funding of trips, visits and visitors to school in promotion of inspirational events and experiences, including the Year 6 residential, purchase of resources to support intervention and bespoke needs, including access to counselling.

In the last academic year (September 2019 to August 2020) Raynville Academy used its Pupil Premium funding to provide both individual and group intervention to ensure progress and academic achievement. This has focussed on English and maths. Pupil Premium monitoring of impact continues with additional targeted focus on aspirational events, visitors and provision.

Diminishing the difference for Pupil Premium children will be the focus in Reading, writing and Maths for this academic year. Our strategies will include the seven most effective ways to support raising disadvantaged pupil achievement, as identified by the DfE and NFER. The process this year will be robust and rigorous and adaptations to strategies made as and when identified in order to ensure all pupil premium children are provided with the opportunities to diminish the difference.

Our Ofsted report from December 2017 noted that *"The pupil premium funding is used efficiently. Funding is reviewed by senior leaders and governors to ensure that it supports individual pupils' needs. As a result, differences between the achievement of disadvantaged pupils and other pupils nationally have diminished over time."*

Raynville Academy – Pupil Premium Action Plan 2020/21

Strategy	Outcomes and success	Owner	Milestones	Completed	Review date	Cost per pupil (average)	Total cost
1. Whole school ethos for attainment for all	<ul style="list-style-type: none"> Whole school refresher training for safeguarding/child protection and supporting disadvantaged pupils Providing first-hand experiences through trips and visitors 	JH CR&HS	<ul style="list-style-type: none"> Pupil survey show an increase in attitudes to learning Minibuses in regular use reducing cost of trips to parents and carers 		Dec 2020	£17.65	£3,000
2. Addressing behaviour and attendance	<ul style="list-style-type: none"> Breakfast club provision well attended (free for vulnerable children, free bagels) Attendance is in line with national averages Persistent absenteeism is reduced Number of exclusions are reduced CPOMS tracking 	PIT	<ul style="list-style-type: none"> Numbers of pupil premium children attending Breakfast Club remain stable or increased Reduced number of PP children report arriving at school feeling hungry Termly monitoring visits identify increased attendance and a reduction in PA & exclusions Reduced incidents of behaviour 		Dec 2020	£29.98	£5,096
3. High quality teaching for all	<ul style="list-style-type: none"> 0.5 UPS 3 intervention teacher in upper KS2 DHT teaching provision in the morning allows for smaller class sizes for the teaching of English and maths in KS1 and lower KS2. Purchase technology and to allow better home learning opportunities 	GB&JH ICT leader	<ul style="list-style-type: none"> Analysis of PP data should show narrowing of gap to non-PP peers (Dec, March, July) Technology in place and home learning offer established and providing isolating children with access to work 		Dec 2020 Dec 2020	£155.51 £352.94	£26,438 £43,180 £8,560
