

Dear Y6 parents,

We believe that promoting the health and well-being of our pupils is an important part of their overall education. We do this through our Personal, Social and Health Education (PSHE) course. This looks at many topics including all kinds of relationships, physical / emotional health and living in the wider world. The aim of the course is to help our pupils make safe and informed decisions during their school years and beyond.

Sex and Relationship Education (SRE) is an important part of the PSHE course. We will be teaching lessons about SRE in this half-term. You may find that your child starts asking questions about the topic at home, or you might want to take the opportunity to talk to your child about issues before the work is covered in school.

We will be developing the children's knowledge and understanding of the vocabulary relating to the topic and be working from the Channel 4 programme, *Living and Growing*, looking at:

Programme 1: *Changes* (Year 5 and 6)

Programme 2: *How Babies are Made* (Year 6 only)

Programme 3: *How Babies are Born* (Year 6 only)

As parents and carers you are invited to come into school to pre-view the video on Tuesday September 20th at 3.15pm.

Yours sincerely,

A Midgley

Principal

I will/will not attend the pre view _____

I give permission for my child, _____, to attend the relevant SRE lessons this half term.

Signed _____ (parent/guardian)
