

British Values

RAYNVILLE ACADEMY

Individual Liberty.

We know that we are all special. We can make our own choices about what activities we would like to do. We can talk about our own ideas and opinions.

Mutual respect.

We understand and respect the roles of people who help us. We treat everyone equally. We listen to and respect other people's opinions and values.

Tolerance of different faiths
and beliefs.

We know that different people
might have different ideas or opinions or beliefs
to us.

Democracy

We have equal rights. We know
that we have rights as children.

Rule of Law

We follow the rules in our school.

We understand the consequences of our actions.

How do the
Raynville Rs
match our
British Values?
