The Year 6 children recently completed a mock SATs week and during this we were able to measure the level of support and group sizes needed to ensure the children could complete the papers to the best of their abilities. We will do the same for the SATs as the children are now familiar with this set, please contact your child's class teacher if you have any questions about this.

On the week of the SATs, Year 6 children are invited to join breakfast club from 8am. This is to ensure the children have something to eat prior to the SATs and we in school, with friends, to calm any nerves or worries they may have.

As mentioned on the Year 6 newsletters, all we ask of parents is to ensure the children have an early night, so they are rested for the next morning. We are incredibly proud of the hard work the Year 6 children have already shown this year.

Please do speak to a member of staff if you have any further questions.

Yours sincerely,

Year 6 Staff
